**DETAILS****POSITIONS/RECOMMENDATIONS**

<p>The purpose of this resolution is to adopt an updated master plan for Woods Park. The prior master plan was adopted by the City Council in February, 1992. Over the past 12 years many elements of the Master Plan have been implemented.</p> <p>Review of the master plan was initiated in part due to the expansion of the Health Department facility, and a desire to integrate planning of the expanded Health Department Facility and Woods Park.</p> <p>The updated master plan was updated through a community involvement process. The Parks &amp; Recreation Advisory Board recommended adoption of the updated master plan after a public hearing on February 3, 2005.</p> <p>History: The land for Woods Park was acquired through a</p>	<b>Sponsor</b>

This master plan established the framework for the park as it exists today, including the location of the baseball field, the pool and tennis facilities. The 1992 Master Plan for Woods Park and the proposed Master Plan are refinements to the original master plan developed 50 years ago.</p>	<b>Staff Recommendations</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against Reason Against
